

## **- TRACTOR PULLING RULES -**

### **GENERAL RULES**

1. All contestants must be a minimum of 12 years old with a parent or guardian signed release form and must be able to control their machine without any assistance.
2. All contestants must wear a D.O.T. approved helmet.
3. Entry fees must be paid in full before competing and may vary depending on payout.
4. Each tractor may pull only one time in each class. The first puller has the option of taking that pull or coming back and pulling 5th, if the option of pulling 5th is taken then that distance will be used instead of the first hook.
5. ALL pulls will start from a tight chain.
6. Any fighting, foul language, or other actions detrimental to the family type image that we wish to present to the public WILL NOT be tolerated and may result in disqualification and/or you and your crew being asked to leave. Failure to do so may result in criminal charges being filed with the Pennsylvania State Police.
7. NO alcoholic beverages will be permitted on the grounds.
8. Tires must be rubber. NO dual rear wheels, chains, studs, or any other performance enhancing additions to the tread area of the tire.
9. No weight may extend beyond the most rearward part of the rear tire.
10. Anything falling off the tractor and interfering with the sled or pan of the sled will result in disqualification.
11. No part of the tractor or rollover device may interfere with the sled or disqualification will result.
12. Hitches may not extend beyond the rear of the tire tread.
13. Driver must maintain control of the machine at all times. i.e. One hand on the steering wheel and buttocks in the seat.
14. All tractors must cross over scales on the way back to the pit area. A five pound allowance will be given for weight. Failure to do so will result in disqualification.
15. Judges decisions are final.

### **STOCK PACE CLASSES 1000 AND 1110 POUND**

1. Any Stock type tractor 16 horsepower and under Single Cylinder.
2. Maximum tire size 23x10.50x12 maximum unless factory size is larger. (A factory brochure or dealer invoice must be presented as proof of factory size tire larger than 23x10.50x12 maximum unless factory size is larger. (A factory brochure or dealer invoice must be presented as proof of factory size tire larger than 23x10.50x12).
